Dr. J.Lederberg

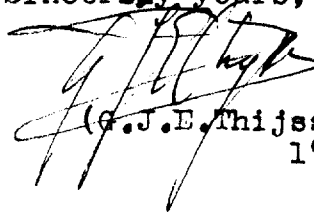

Department of Genetics, University of Wisconsin

Madison (Wisconsin)

Dear Doctor,

In one of your articles I read about your dissertation: "Genetic recombination in E.Coli" As this subject interested me very much also with respect to my own work, I tried to borrow your dissertation from the University library but they were sorry to inform me, they didn't have it. I would like to ask you whether it is possible for me to get the above mentioned dissertation from you.

Sincerely yours,

(G.J.E. Thijsse
